

Ontario Science Centre – DNA Fingerprinting program [Thursday, April 28, 2017]  
[Northview Heights Secondary School]

Gel 1

We used a 50bp ladder and so the bands go up by increments of 50bp. The top band of the ladder is 800 bp.

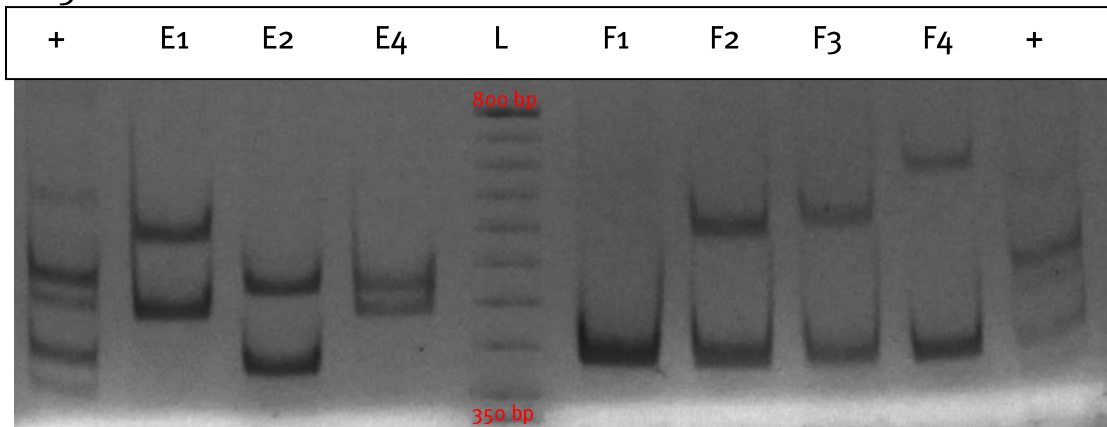

Gel 2

We used a 50bp ladder and so the bands go up by increments of 50bp. The top band of the ladder is 800 bp.

Ontario Science Centre – DNA Fingerprinting program [Thursday, April 28, 2017]  
[Northview Heights Secondary School]

Gel 3

We used a 50bp ladder and so the bands go up by increments of 50bp. The top band of the ladder is 800 bp.

There's a band there! ↗  
350bp /

We used a 50bp ladder and so the bands go up by increments of 50bp. The top band of the ladder should be 800 bp.
